INTRODUCTION

Northern Stars Equipment and Technology Services Co., Ltd (NSETS Co., Ltd.) was established on 26th June, 2007 under the Enterprise Law.

NSETS Co., Ltd office is located in Vung Tau City, Ba Ria – Vung Tau Province, Vietnam.

NSETS Co., Ltd has established its own International Standard Laboratory to provide Testing - Verification - Calibration services of testing, measuring Instrument and PSV.

NSETS Co., Ltd core Business is the Provision of Equipment supply and Technical Services for Industrial Instrumentation, Electrical and Mechanical Systems. Target to become the Value Added Distributor and Technological Transfer of the Test, Measuring, Control Instrumentation, Electrical and Mechanical System in Vietnam Market.

NSETS Co., Ltd undertakes the role of an independent Integrated Engineering Services Provider.

NSETS Co., Ltd successfully completed assignments in the Power, Petrochemical, Refinery, Oil and Gas Industries. We are committed to strive for excellence, to build confidence of Foreign and Local Enterprises involved in the dynamic business environment of Process Plants construction and maintenance.

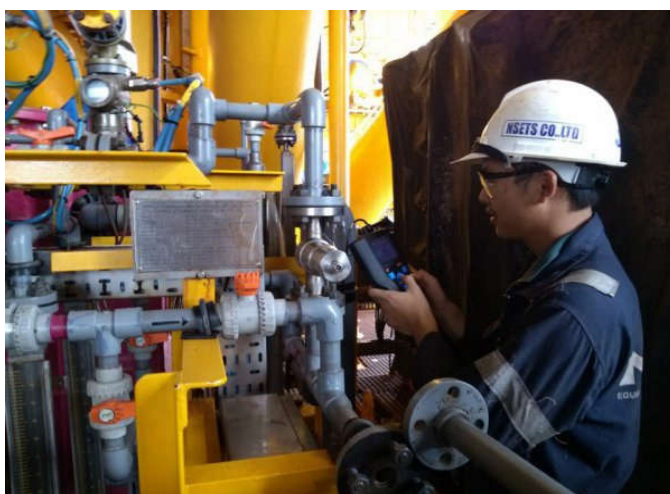

NSETS Co., would like to establish the bussiness relationship will all Local and Foreigner Companies with the aim of co-operation and development.

Instrument Testing \ Calibration and Verification Services

Instrumentation and Control System Installation, Commissioning and Maintenance Services

Electrical System Installation, Commissioning and Maintenance Services. AC & DC Motor overhaul Services

Supply the Industrial equipment, Materials and Spare parts

UPS designs and UPS maintenance services

Onshore & Offshore Manpower Supply Services

Onshore and Offshore Projects/Area of the Services

DAP2 Project - Toyo Thai Corporation Public Company Ltd - Toyo Vietnam Corporation Ltd - 2013: Instrument installation works.

DAP2 Project - Toyo Thai Corporation Public Company Ltd - Toyo Vietnam Corporation Ltd - 2014: Heat tracing system installation; Instrumentation installation work for belt conveyor.

Dinh Vu Polyester Project - 2011: Instrument Calibration and Loop Checking/Commissioning services.

Nghi Sơn Refinery and Petrochemical Complex Project - 2015: Instrument Calibration and Loop checking services, Verification test and Inspection work.

Polypropylene Project - PVE and Hyundai: Calibration, loop checking and assistance commissioning for instrumentation.

Dung Quat Refinery - Technip Consortium (TPC) - 2010:
- Investigation, part supply, onshore repair and offshore replacement of damaged parts services for Maker Buoy.
- Assistance for instrumentation commissioning.

Dung Quat Quang Ngai Bio - Fuel Ethanol Project - 2011: Instrument Calibration and Loop checking/commissioning services.

Ethanol Binh Phuoc Project: Instrument Calibration and maintenance

Elephant Conservation Project - 2016: Electric Fence

Ca Mau Gas Processing Plant Project - 2016: Calibration & Loop Test Service
PV Gas Ca Mau Gas Intake Stations - 2010 to 2016: Instrument Calibration service.

NORTHERN STARS CO., LTD OFFICE
42B5 - 30/4 Road - Ward 9 - Vung Tau City

PTSC from 2012- 2014: E&I Technician mainpower supply

Phu My 2.2 Power Plant MECO Energy 2007-2014: Electrical, instrument calibration, testing instrumentation, AC & DC Motor overhauls, maintenance and upgrading.

Vietnam Blue Scop Steel - 2010: Instrument Calibration and Loop Checking/Commissioning services.

Granite Services Inc - 2014: Technical support for GT#2 routine maintenance services.

ABB - Singapore: Installation/Termination & Calibration of the Phu My - Go Dau control System Phase II.

GE - GTSI Phu My 2.2 Power Plant: Instrument Calibration, Gas Turbine CO₂ fire fight system, Hydrogen dryer system and Loop Checking/Commissioning services. Part, Consumables and upgrading.

MODEC - 2009: Instruments Calibration

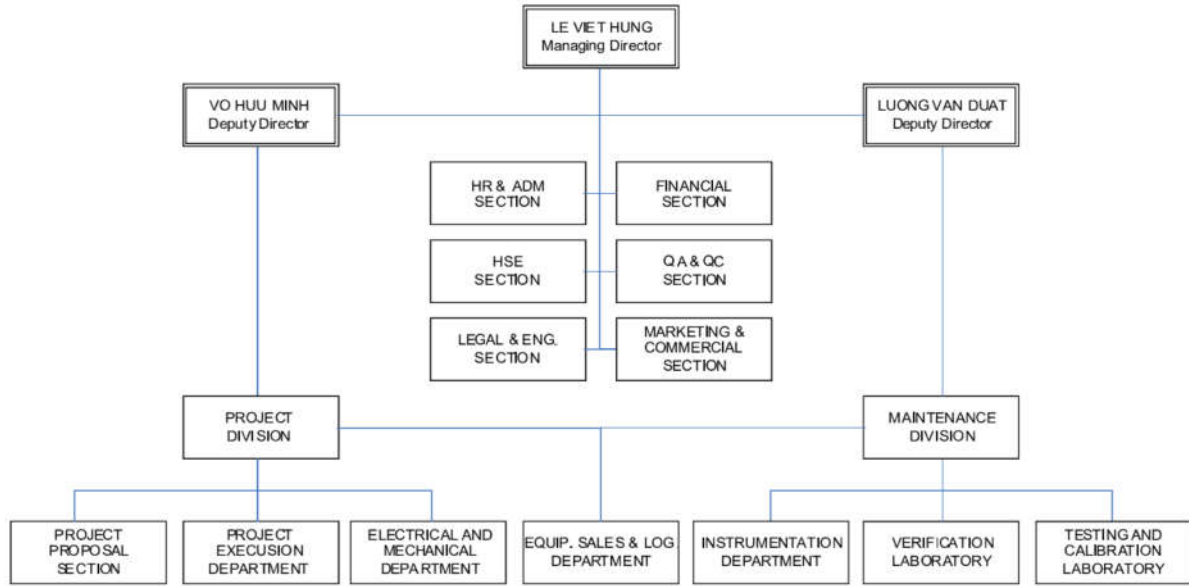

PT - ANEKA KREASI LOGAM - Malaysia - 2008: Installation HVAC System.

E & I ManPower for Offshore Projects: Rubi, Jawtika, Brown Lion, White Lion, Black Lion...

Hookup & Precom/Commissioning: Moc Tinh 1, Hai Thach PQP, Pearl & Topaz, South & North...

Hookup & Precom/Commissioning: Chim Sao, Rang Dong, Thang Long Dong Do, Hai Su white black...

Organization Chart

Quality Management - HSE System - Operating License of Sublease Labour and Public Liability Insurance Certificate

The Quality Management System of the Laboratory has been assessed and found to conform with requirements of ISO/IEC 17025:2005, accredited by Vietnam Inspection Laboratory Accreditation Scheme (BoA) since 2008, Accreditation no.: VILAS 300.

The Quality Management system of the company is conformed with ISO 9001:2015, certified by Vietnam Certification Centre (QUACERT).

The Occupational health and safety management systems is conformed with ISO 45001:2018, certified by Institute For Standard And Quality Development Studies.

Operating License of Sublease Labour from Ministry of Labour Invalids and Social Affairs for Manpower supply onshore and offshore.

The Insurance Policies for Product Liabilities and Personnel are also in place and cover all company business activities.

Our people are our most important resource.

Our staffs are Instrumentation, Electrical and Mechanical Engineer and Technicians who had been worked on Model Technology Projects in the phase of construction and maintenance. Our Staffs are also familiar with ISO/IEC 17025, ISO 9001, OHSAS 18001, ISO 45001 Standards, Model Project Sites Rules, Regulations and Procedures.

We provide the right expertise at the right place the right time and we deploy qualified and experienced personnel all of them with proven track records gained by active technology transfer programs during various project implementations.

Subject: Non Exclusive Distributorship appointment to North Stars Equipment & Technology, Vietnam

Dear Mr. Hung,

We are pleased to appoint non-exclusive distributorship to North Stars Equipment and Technology Service Company Limited, Vietnam for Badotherm Products listed as below

- Pressure Gauges & Pressure switches
- Combination gauges with Diaphragm seals
- Temperature Gauges & Temperature switches
- Thermowells
- Manifold valves / Needle valves

This appointment is on non-exclusive basis with effective from 1st January 2019 for a period of one (2) year i.e. 31st December 2020. Appointment is on renewable basis and can be extended before expiry.

Yours Sincerely

Letter of delegation

Dear Sir or Madam,

This is to confirm that Badotherm Far East Company Limited at 254, Soi Onnut 40, Suanluang, Bangkok 10250 Thailand is our subsidiary in Thailand for Badotherm Process Instrumentatie of Holland.

Badotherm Far East is authorized to set up sales, marketing and service network as well as to appoint agents in Asia Pacific region for Badotherm Holland. Badotherm Holland has delegated Badotherm Far East to appoint agent and to sign agency agreement exclusively.

Badotherm Holland will provide all necessary technical and after sales support to their service network and appointed agents in respect of the product sold by the duly appointed agents of Badotherm Far East Co., Ltd.

Badotherm Holland Warrants for the items supplied by Badotherm Far East Company Limited or its agents even though client / customer has placed orders to Badotherm Far East or its agents.

Please feel free to contact us if further clarification is required.

Thanking you

Authorized signatory

NSETS focus on collaboration with the international Companies for long term cooperation in Fabrication and Installation Industrial Equipment such as: Electrical, Instrumentation, Oil & Gas Equipment and Industrial Chemical.

Our is being partner of Brasten, Badotherm, Paragon, Sormec (Offshore Cranes). Our also start working with as Schneider about instrumentation equipment. In addition, NSETS are working with other partner about Water Treatment Equipment, Oil and Gas Equipment such as: Goshu-Kohsan (Japan) Griffin (UK), Sunway (Singapore), Ega Master (Spain), Kendrion (UK), Misia (Italy)...

RECOMMENDATIONS & AWARDS

NGHI SON REFINERY AND PETROCHEMICAL LIMITED LIABILITY COMPANY

LETTER OF RECOMMENDATION

To whom it may concern:

This is to certify that Northern Stars Equipment & Technology Services, Ltd(NSETS) has performed the Contract: 01/2015/NSRP-INT/IDXP-NSETS(Instrument Installation work) – NSRP complex project including: Field instrument calibration, Field instrument verification, Field instrument testing, Field instrument loop test, Field instrument repairing, Supply of manpower and Testing equipment to undertake commissioning, Trouble shooting for instrument work in process area and satisfactorily completed the work in accordance with the requirements of the NSRP complex project.

Northern Stars Equipment & Technology Services, Ltd(NSETS) is reliable company which has strong potential capability to be consider to undertake more large scale work requirements in the future.

TO WHOM IT MAY CONCERN

HCMC, 20th March, 2014

We, the undersigned, confirmed that:

NORTHERN STARS Equipment and Technology Services Co., Ltd. (NSETS Co., Ltd.), having its address at Suite 201, 21F Building, Servicos 2, Chi Linh Quarter, Ward 10, Vinh Tay City, Ho Chi Minh City – Vietnam, Viet Nam; Tel: (+84-64) 3 614 999; Fax: (+84-64) 3 613 666; Hotline: (+84-64) 904 877 979.

Has been provided the following services to our Power Plant:

No	Year	Contract PO No.	Scope of Supply/Service
1	2008	PM108-0383; PM108-0644	Motor Overhaul, Motor Inspection; Instrumentation calibration & Loop checking Services.
2	2009	PM109-0642; PM109-0649; PM109-0718; PM109-0624; PM109-0699; PM109-0719	Motor Overhaul, Motor Inspection, LV Switchgear, LV Power Circuit Breaker (PCB), Instrumentation calibration & Loop checking Services.
3	2010	PM110-0234; PM110-0237; PM110-0232; PM110-0236	Motor Overhaul, Motor Inspection, LV Switchgear, LV Control Panel Maintenance, Instrumentation calibration & Loop checking Services.
4	2011	PM111-0271; PM111-0286; PM111-0311; PM111-0310; PM111-0312; PM111-0301; PM111-0299; PM111-0309	Motor Overhaul, Motor Inspection, LV Switchgear, LV Control Panel Maintenance, Instrumentation calibration & Loop checking Services.
5	2012	PM112-0268; PM112-0469; PM112-0262; PM112-0271; PM112-0288; PM112-0286; PM112-0284	Motor Overhaul, Motor Inspection, LV Switchgear, LV Control Panel, LV Power Circuit Breaker (PCB), Maintenance, Instrumentation Calibration & Loop Check Services.
6	2013	PM113-0353; PM113-0147; PM113-0150; PM113-0164; PM113-0169; PM113-0128; PM113-0129; PM113-0131	Motor Overhaul, Motor Inspection, LV Switchgear, Maintenance, Instrumentation Calibration & Loop Check Services.

NSETS and its Services Team performed the services with a sincere manner, hard working attitude and completed the works within the committed schedule. The overall workmanship was professional, knowledgeable, neat and tidy which highly recognized and evaluated by our Plant Management.

We believe NSETS Co., Ltd. is a reliable company which has strong potential capability to undertake our services requirements in the future.

PHUMY - GODOU Control System Phase II Project Installation & Commissioning Services

NORTHERN STARS EQUIPMENT & TECHNOLOGY SERVICES CO., LTD.
Suite 104, G17, 18F Building, Vinh Tay Servicos 2, Vinh Tay City, S.R Vietnam
Phone: (+84-64) 614 999; Fax: (+84-64) 613 666

TO WHOM IT MAY CONCERN

ABB was awarded the Contract to execute PHUMY - GODOU Control System Phase II consisting, Procurement, Engineering, Site Installation and Commissioning.

ABB awarded Service Provider Contract to Northern Stars Equipment and Technology Services Co., Ltd. (NSETS Co., Ltd.) to utilize services related to the Installation and Commissioning of PHUMY - GODOU Control System Phase II Project inclusive of: Installation, Termination, Commissioning and Calibration of the Gas Detectors, Smoke Detectors, Horns, Buoys, and Manual Call Point.

Staffs of NSETS Co., Ltd. Service Engineers and Technicians commenced work in Feb., 2008 and completed the assignment in Feb., 2008.

The Team was sincere, hardworking, knowledgeable and completed the works ahead of schedule. The overall workmanship was professional, neat and tidy and was readily accepted by Customer.

The pricing structures as well as the daily rates were very competitive and ABB would be glad to use them again for future contracts.

We would be glad to recommend their services to any prospective Customers in their speciality of work.

Yours faithfully,
